ANGELS FOR LIFE
FOUNDING DONOR PROGRAM
ONCOLOGY FOUNDATION
of Maryland and the District of Columbia

The Oncology Foundation of Maryland and the District of Columbia has established a special program for corporations, as well as individuals and families, to provide financial support to help launch the Foundation. In return for their support in 2010, Angels for Life will be recognized throughout the life of the Foundation as founding donors. OFMDC is a 501(c)3 organization and donations are fully tax deductible.

The ***Angels for Life Founding Donor*** program will help provide the funds to ensure the operation of the organization until it gets established and is able to bring in grant funding and garner widespread community support. Gifts will support the Foundation's work of bringing the cancer care community together to provide public information about cancer.

The inspiration for the title of this program is the stained-glass angels of the Caring Collection, Inc. Since 1982, the Caring Collection has donated more than \$755,000 to cancer patient education and research. **Through this special collaboration with the Caring Collection, Inc., each Angel for Life will receive a hand-crafted stained glass angel (size/type varies with donation level).**
